Civ. No. 1:15-cv-1139

Judge Rambo

Magistrate Judge Cohn

MEMORANDUM

Before the court is a report and recommendation filed by the magistrate judge in which he recommends that Plaintiff Janice Lopez's appeal from the denial of her disability social security claim be denied. No objections have been filed.

The magistrate judge thoroughly reviewed the administrative law judge's five step evaluation process to determine if a person is eligible for disability benefits. *See* 20 CFR § 404.1520. The magistrate judge opined that the administrative law judge's findings were supported by substantial evidence.

A review by the undersigned affirms the magistrate judge's recommendation. The report and recommendation will be adopted.
